Austin Regional Office Internships

[Part of a Team]

Experience work & community with a team of staff all committed to using their skills for the Great Commission.

[Personal Development]

Half a day a week will be devoted to helping you develop personally and spiritually, through one-on-one and group relationships.

[Professional Development]

Hone your skills as you work on regional and national projects and rub shoulders with like-minded laborers.

[Local Ministry Involvement]

You will be free to spend half a day a week helping further the gospel through involvement in local campus ministry.

[Living in Austin]

A cool place to be. The magazines say so.

[Available Roles]

Financial Administrator

Help steward ministry dollars through tracking budgets, answering financial questions, and developing financial systems.

Web Designer

Use your skills to serve our staff, expand ministry exposure, and connect students, staff, volunteers, and donors.

Conference & Event Assistant

Help pull off our Winter Conference and multiple other venues that train, equip and challenge students and staff.

Graphic Designer

Use your creativity and skills to design evangelistic media, conference advertising, summer project materials, and more.

HR/Global Outreach Administrative Assistant

Use your administrative and people skills to help serve our staff and to increase our capacity for sending laborers.
